

## Quality and Service come **FIRST!**

### Complete Service

**Desert Mobile Transport** offers complete "Door-through-Door" service for all customers.

Door-through-door means that from the time we pick you up we are right there with you every step of the way.

Always securing your safety and making sure that all of your needs are met, until you're safely walking back through the door of your home fully satisfied.

**(480)987-6600**

### Additional Services

*Besides Wheelchair Transports to your Doctor or Dialysis appointments we also offer these additional services:*

**Inter-Hospital Transports:**  
We will transport you from one Hospital to another with great care.  
(Non-Emergency Transports Only)

**Long Distance Transportation:**  
Transportation available to any location within Arizona and surrounding states  
(subject to advanced schedule)

**Sky Harbor International Airport  
Phx-Mesa Gateway Airport:**  
In addition to pick-up and drop off, we can bring you or your loved one to the gate and wait for the plane to take off, ensuring you are safely on your way. Once on your way, we will contact the party waiting for you at your destination.

**Assisted Airline Transportation:**  
If you or a loved one are unable to travel alone into or out of Phoenix, a non-medical travel assistant can accompany you on the flight.

**Wherever you need to go,  
we'll get you there!**

### Quality

Each Ambulette is custom built to meet the American Disabilities Act (ADA) requirements. Our fleet is inspected semi-annually and goes through a rigorous preventative maintenance program by a local mechanic who specializes in fleet repairs. The vans are all equipped with wheelchair lifts/accessories, fully heated and air conditioned, cleaned daily, and have the newest technology in tie down fasteners for the utmost safety and convenience for our passengers.

## **DESERT MOBILE TRANSPORT**

A better choice for you and your community, DMT is a less expensive alternative to Ambulance transportation. Using DMT also allows ambulances to remain available in the community to handle critical life threatening emergencies.

### **Travel in safety and confidence**

Each of our drivers are licensed and trained in First-aid and CPR so that every client's medical needs are taken into consideration during their ride with us.

### **One driver, One client, One destination**

We realize your time is important too. Travel requests for each client are responded to individually. We take you directly where you need to go with no waiting for multiple stops to reach your destination.

**Desert Mobile Transport** is a private service for wheelchair, stretcher or any mobility-challenged client. We offer a range of transportation services including trips to Doctor's Offices, Dialysis Centers, Medical Facilities, Diagnostic Testing Centers, Outpatient Clinics and Hospitals, etc. Our service area includes Maricopa and Pinal counties, also some areas of Pima and Gila counties.

**Wherever you need to go, we'll get you there!**
